### FORTUNE 500 Companies and Best Workplaces for Commuters: Three Consecutive Years of Successful Partnership

In 2004, EPA released its first ranked list of Best Workplaces for Commuters from the FORTUNE 500 Companies. It included 69 companies employing 400,000 employees, who were reducing drive-alone commuting by 435 million miles, saving 21 million gallons of fuel per year.

The 2006 list now includes more than 130 companies, and their collective environmental impact is even greater. These employees are reducing drive-alone commuting by almost 760 million miles, saving nearly 38 million gallons of fuel per year.
